Tammi L. Schlichtemeier, MD, FAAP

Welcome to COPPELL PEDIATRICS. We are glad that you have chosen us to provide your child's primary care, and we are looking forward to working with your family.

Attached you will find our "**New Patient Information.**" You must complete and submit each of the following documents to our office staff prior to the time of your first visit. You may fill these out online and email back to us, or you may print them, handwrite and bring to you apt.

Required

- **Family demographic form:** This form provides your address and phone number, emergency contacts, and insurance information.
- **Health history form:** Provides information about your child's past medical history.
- **HIPPA form**
- **Release of records:** It is important that we obtain copies of your child's previous medical records from those who have treated your child in the past. Please complete a separate release form for each doctor your child has seen.
- **Financial Policy:** Please sign and return this form to the office staff.

Optional

- **"Consent to Treat a Minor" form:** Complete and submit if you anticipate that your child will be accompanied to his or her appointments by someone other than a parent or legal guardian.

It is also important that you contact your insurance company and alert them which Pediatrician will be serving as your child's primary care physician. Also, please be sure to bring your driver's license and child's insurance card(s) and required co-payment or deductible payment to the appointment.

You must arrive 30 minutes **before** your child's appointment to allow us time to verify insurance coverage and to finish entry of your child's data to the chart for the physician. If you do not arrive 30 minutes prior to you appointment time, your appointment will be rescheduled.

PAYMENT- Payment is due at the time of service. If you have Insurance, your co-pay, deductible or coinsurance is due at the time of service. We accept Visa, Master Card & Discover or debit cards, cash, and checks. Please note: The parent or guardian who brings child to visit is responsible for payment at time of service, including the divorced, separated, or unmarried parent.

Initials _____

INSURANCE - If we are your Insurance's preferred provider, you must first meet your deductible and any part your Insurance does not pay. Most misunderstanding about Insurance can be avoided if you understand what your policy provides. If your Insurance Company chooses not to pay Coppell Pediatrics for whatever reason or they choose to delay payment, **YOU** will be responsible for payment. **If payment is not received within 60 days from your Insurance Company, you will be charged.** Payment is expected within one week of receipt of your invoice. The invoice will accrue a 0.5% interest fee per month on delinquent accounts. The stated policies regarding payment must be implemented because Insurance companies have become more cavalier in the prompt processing of claims by physician's office.

Initials _____

INSURANCE REFERRALS - As your primary care physician, we will send a referral to your preferred Specialist upon your request via fax.

- É **It is your responsibility to find out if referrals are required by your Insurance.**
- É **If a referral is not requested before you see your specialist, you will be responsible for any payment that you are billed.**
- É **You may be asked to reschedule your appointment if ample time was not given.**

If referrals are required, please make sure to call us two to three days before your appointment. We want to have ample time to call your Insurance and/or specialist and do any paper work if needed. Referrals are done in the order received or by appointment date.

Initials _____

NOTICE OF PRIVACY PRACTICES

THIS NOTICE DESCRIBES HOW MEDICAL INFORMATION ABOUT YOU MAY BE USED AND DISCLOSED AND HOW YOU CAN GET ACCESS TO THIS INFORMATION.

PLEASE REVIEW IT CAREFULLY

The Health Insurance Portability & Accountability Act of 1996 ("HIPAA") is a federal program that requires that all medical records and other individually identifiable health information used to disclosed by us in any form, whether electronically, on paper, or orally, are kept properly confidential. This Act gives you, the patient, significant new rights to understand and control how your health information is used. "HIPAA" provides penalties for covered entities that misuse personal health information.

As required by "HIPAA", we have prepared this explanation of how we are required to maintain the privacy of your health information and how we may use and disclosed your health information.

We may use and disclose your medical records only for each of the following purposes: treatment, payment and health care operations.

- **Treatment:** means providing, coordinating, or managing health care and related services by one or more health care providers. An example of this would include a physical exam.
- **Payment:** means such activities as obtaining reimbursement for services, confirmation coverage, billing or collection activities, and utilization review. An example of this would be sending a bill for your visit to your insurance company for payment.
- **Healthcare operations:** include the business aspects of running our practice, such as conduction quality assessment and improvement activities, auditing functions, cost management analysis, and customer service. As example would be in internal quality assessment review.

We may contact you to provide appointment reminders or information about treatment alternatives or other health-related benefits and services that may be of interest to you.

Any other uses and disclosures will be made only with your written authorization. You may revoke such authorization in writing and we are required to honor and abide by that written request, except to the extent that we have already taken actions relying on your authorization.

You have the following rights with respect to your protected health information, which you can exercise by presenting a written request to the Privacy Officer.

- The right to request restrictions on certain uses and disclosures of protected health information, including those related to disclosures to family members, other relatives, close personal friends, or an other person identified by you. We are, however, not required to agree to a requested restriction. If we do agree to a restriction, we must abide by it unless you agree in writing to remove it.

- The right to reasonable requests to receive confidential communication is protected health information from us by alternative means or at alternative locations.
- The right to inspect and receive a copy of your protected health information.
- The right to request an amendment to your protected health information.
- The right to receive an accounting of disclosures of protected health information.
- The right to obtain a paper copy of this notice from us upon request.

We are required by law to maintain the privacy of your protected health information and to provide you with notice of our legal duties and privacy practices with respect to protected health information.

This notice is effective as of **June 15, 2016** and we are required to abide by the terms of the Notice of Privacy Practices currently in effect. We reserve the right to change the terms of our Notice of Privacy Practices and to make the new notice provisions effective for all protected health information that we maintain. We will post and you may request a written copy of a revised Notice of Privacy Practices from this office.

You have recourse if you feel that your privacy protections have been violated. You have the right to file written complaint with our office, or with the Department of Health & Human Services, Office of Civil Rights, about violations of the provisions of this notice or the policies and procedures of our office. We will not retaliate against you for filing a complaint.
